Greetings ... in the day of Sabbath ...

What is Life? ... Well ... God is Life.

However, Science cannot solve this puzzle because is an Empirical Science.

There is no eternal chaos. There is only eternal order in manifestation.

**The problem of biological order involves the transition from the molecular activity to the supermolecular order of the cell. This problem is far from being solved. Often biological order is simply presented as an improbable physical state created and maintained by enzymes resembling Maxwell's demon ...**

But is ALL ... Gospel and Shows ... there are no Science ... but bits of Information.

What is an Angel? ... What is a Demon? ...

You can read ...

**Since the angels are most fearsome to the demons, it is they who move.**

**But sometimes you also remove yourselves from those places where your soul would imbibe an unhealthy atmosphere. And so it is wise.**

**The Dilemma of the Soul in the Evolutionary Cosmos**

**A Message on the Dark Cycle and the Light Cycle in Capricorn from the Eternal Chain of Hierarchy**

□□□ **From point of view is an exercise for you ... An Exercise unsolved in over 150 years**  
...

**Happy Salted day,Happy Sabbath.Regards,Giovanni A. Orlando.**
