Let us handle this in English ... while I will love to write it in Spanish ...

Now ... If you move your attention to ... the Shows and Mr. Weinstein (the man of the Movie Industry) ... Well, You will begin to figure what is the Anti-Mary concept.

There are a True Darkness in Coronavirus Agenda ... which is not exactly ... Holy or acceptable. Is like Movie "1994" ... Do you see that movie? ... Watch it.

Steve Jobs release its iMac ... like a proposal to the World ... against what the Movie pretend to propose ... and we are living today.

If Coronavirus is a Virus ... Well ... and there are no infection at sight ... I do not see

someone falling down ... "Oh Lord, I get infected" ... I only see ... "News ... and Numbers" ...

If Coronavirus is a Virus ... and we are healed ... I see no valid reason for ... "Distance measure" ... 2 Meters in the Train, one seat on Airplane ... etc, etc, etc ... This is ... "1994" strategy. Not acceptable.

I listen in a Video ... that some people want to kill other people ... because we are "too much" ... This is not logical ... Who the Hell are these Judges? ...

Now ... Let us see and talk about "Anti-Mary".

Fact 1. Mother Mary explained that ... Lord Jesus teach She ... in the days of Israel ... Now, this do not means ... Mother Mary cannot teach ... other women ... or men. Right? Mary Magdalene was a Priestess ... but the Word "Priestess" has been removed from Vocabulary ... We listen only Priest. Is this right? ... No is Not.

Fact 2. Has been logical ... Women go to work ... in the Industry ... What is not logical is Women are used ... her images manipulated in Movies ... and the Dark Side idea ... "This is Woman" ... or "this is Sex" ... we learn on TV, movies ... etc. Here there are many impositions ... all Dark ... not one light ... all illogical ... and I AM not quoting the book ... because I know these facts ... from many sources ... including channeling directly from the Mother ... and I am so involved with she ... that when she call ... and authorize ... or she (Mother Mary) want I say something ... I have no choice ... and I need to say ...

When Woman go into a Movie ... this creates alternative Lines of Time ... Prof. Einstein introduce Lines of Time ... This means ... Your reality and what you want to do with your life ... moves to a "Danger Zone". All Movies do this ... We do not go to Universities and/or read books ... we watch movies ... Watch movies are not a problem ... the problem is what you do after to watch the movie.

When "Batman 2 ... with the Clown was projected in United States" a Man ... with Weak Mind ... understand he has been authorized to kill others ... This is dramatic ... also because he do

not find too many problems to find weapons and guns ... to kill ... He simply go to a Store ... There are no such Stores in South America ... generally ... There are no such Stores in Europe.

The meaning of "Life" in general ... is almost Zero ... The reason is simple ... because those who take that decisions take in Impersonal Mode ... They do not care if kill a children ... or a Woman ... or an Old Man or an Old Woman. They simply Kill.

Fact 3. God is ... the Father and the Son ... but God is also the Woman and the Holy Spirit.
